

TALENTED DEVELOPERS

Wanted by Continia Software

📍 Work Location: Noerresundby and Copenhagen, Denmark 🌐 <http://www.continia.com>

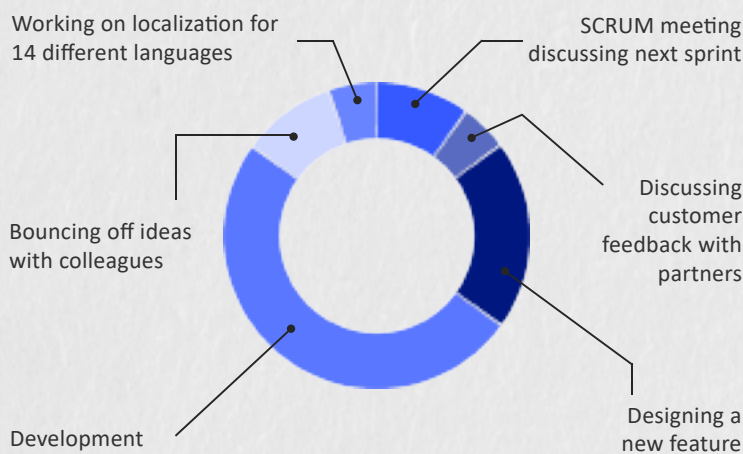

WHO IS CONTINIA

- Continia Software is one of the leading and most influencing ISV's in the Microsoft Dynamics NAV market, with more than 5,500 customers and 250 partners worldwide.
- Our software is 100% focused on Dynamics NAV customers, and our channel of sales is based on a well-established network of Dynamics NAV partners throughout the globe.
- Awarded as a Gazelle-company by Børsen for three years in a row.
- Total of 30 employees in Noerresundby and Copenhagen.

WHAT WE CAN OFFER

- Working with the latest Microsoft technologies and tools.
- Working with skilled and experienced people on our new concept Continia365, as well as with our existing products.
- 100% focus on getting things right, and not how-fast-and-how-cheap-can-you-do-it dilemma typically known from a VAR/customer relationship.
- An international work environment interacting with partners all over the world.
- An agile environment where creativity is highly valued.
- Vibrant offices located in Noerresundby and Copenhagen.
- You will know your work makes a difference for thousands of companies and people using our software.
- A competitive compensation package, flexible hours, fully paid mobile phone, and an enhanced healthcare and safety program.

A DAY AT CONTINIA

WHAT ABOUT YOU

We expect you to:

- Be experienced in Dynamics NAV and have experience working with both the Classic and RoleTailored client.
- Either be one of the best NAV developers or it is your ambition to be within a few years, with the right coaching.
- You want to see things done the right way, and don't cut any corners.
- Enjoy writing code which is optimized and robust.
- Know a lot about what's happening in the world of NAV and surrounding technologies.
- Fluent in English speaking, reading and writing.
