### Try for free for 30 days – after this you only pay from 7 £ per month!

As a user of Microsoft Dynamics 365 Business Central you can easily and inexpensively start using Continia Document Capture 365. You can install and try out all Continia solutions for up to 30 days. To get started, simply choose to install your selected Continia solution through Microsoft AppSource.

### How do I count the number of registered documents?

Registration of a document happens the moment you register a document for approval or posting. Through your Continia Dashboard, you will always have a clear overview of the daily consumption.

### How is my consumption calculated?

At the end of each calendar month, your consumption and the total number of registered documents will be calculated. This number will determine your price by a simple look-up in our price table. Note that the number is based on total amount of registered documents in your Microsoft Dynamics 365 Business Central across all the companies that are registered in your license.

### Get up to 50 % discount on additional modules

You can freely choose between the available additional feature modules. Note that upon activation of module no. 2, you will get a 25% discount of the price list. Likewise, activation of module no. 3 will trigger a 50% discount off the price.
