As a user of Microsoft Dynamics 365 Business Central you can easily and inexpensively start using Continia Expense Management 365. You can install and try out all Continia solutions for up to 30 days. To get started, simply choose to install your selected Continia solution through Microsoft AppSource.

How is my consumption calculated?

At the end of each calendar month, your total number of expense users will be calculated. This number will determine your price by a simple look-up in our price table. Note that the number is based on total amount of users in your Microsoft Dynamics 365 Business Central across all the companies that are registered in your license.
